HAMILTON LODGE
BLATTEN BEI NATERS

THE NATURAL SPIRIT OF THE MOUNTAINS

QL SWITZERLAND

From the top of the 3,118-metre Hohstock, north of Belalp, you have a view of the most prominent Swiss mountain peaks. Hamilton Lodge is a real ski-in, ski-out family hotel, with a unique sense of style and a 'hip Heidi' atmosphere.

The cuisine served by Italian chef Davide Dabacchi is Italian-Swiss. Belalp is car free and snow sure, and apart from skiing it offers a variety of wonderful hiking options. The walk along the edge of the famous Aletsch Glacier is spectacular. Hamilton Lodge features a small and friendly spa, and the hot tub is filled with glacier water – heated, fortunately! The entire area is classified as a UNESCO World Heritage Site.

HOSTS JOHN & JACQUELINE WEGINK ——— **CHEF** DAVIDE DABACCHI

JOHN & JACQUELINE WEGINK OWNERS

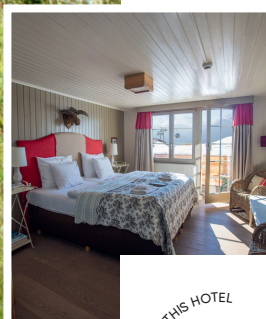

'Stay where the world can't find you.'

STUNNING VIEW

You are surrounded by the most famous giants of the Alps: the Eiger, the Mönch, the Jungfrau and the Matterhorn.

SKI

Hamilton Lodge is in the middle of the Aletsch Arena ski area, right next to the lifts and ski school, and snow is guaranteed until mid-April.
